For this endeavor, NREUV is Real Estate Advisor to the City of Seat Pleasant located in Prince George's County, Maryland. Seat Pleasant has asked NREUV to master plan the entire city, which will create new housing and economic development opportunities for the area. NREUV has teamed up with SMWM, one of the largest woman-owned design firms in the nation, for this project. In addition, NREUV is providing advisory services on real estate related expenditures, CDC activities and all other real estate based work as required for the city.
